April 1996

1996-02

Library No.	Entry	Status
0111C	University of South Florida at Sarasota Jane Bancroft Cook Library 5700 North Tamiami Trail Sarasota, FL 34243-2197 (941) 359-4300 Fax: (941) 359-4307 (Sen. des. 1996) 13th CD	Added

Dual Format Items: Paper and Microfiche

The following list can be used in conjunction with the "Annual Selection Update Cycle 1996," which all libraries should receive by May 1.

These titles are available for selection by selective depository libraries in **EITHER** paper **OR** microfiche format. Please coordinate selection of paper hearings on a campus with two or more depositories to avoid duplication, as the hearings are expensive to produce and mail.

REGIONALS

Regional libraries have the option of choosing a single format when dual format is offered for an item number.

The Library Programs Service would like regional libraries to review the publications offered in both paper and microfiche formats and submit deselections as they deem necessary for their collections. CAUTION is urged when attempting to evaluate the electronic version of a publication against the paper title with the same title as they may not contain the same information.
